BODY OF FAMOUS PROFESSOR LAID TO REST

With simple ceremonies, and in a lively and forthright manner, the body of a man and woman whose names have gone down in the history of the islands, the body of the late Professor W. D. Alexander was laid to rest in the old missionary cemetery in the grounds of the Kawaiahaeo church yesterday afternoon.

The services in the Central Union church, which were held at half-past three o'clock, were both beautiful and impressive. Beneath a wealth of floral tributes which nearly concealed the casket, rested the casket which was banked with flowers. Besides Dr. Doremus Scudder, those on the platform were the Rev. Dr. Frear, father of Governor Frear, who has been a friend of the late Professor Alexander for sixty years; Rev. Henry Parker, pastor of the Kawaiahaeo church, and Rev. Oramel Gulick. "Nearer My God to Thee" was beautifully rendered by a male quartet, after which Dr. Scudder read at length from the scriptures.

Near the close of the ceremonies at the church, Doctor Frear delivered a brief address, in which he brought out his personal appreciation of a friend whom he has known for the past sixty years, when he was a senior at Yale and the late Professor Alexander was just entering as a freshman. He did not dwell upon the merits of Professor Alexander's long and useful life, as he said that he felt inadequate to do this, only wishing to give testimony to his rare worth and regard.

Following the ceremonies at the church, the body was taken to the little cemetery in the grounds of the Kawaiahaeo church and there lowered into the grave by the pallbearers, who were Hon. Sanford B. Dole, the Rev. William Gulick, Wallace Alexander, Walter Wall, Albert F. Judd and Harry Baldwin. After a brief prayer by Dr. Doremus Scudder, lilies and ferns were dropped into the grave, which was afterwards covered with beautiful tributes. The grave was near those of men and women whose names have gone down in the religious and educational history of the islands. A number of the descendants of the early missionaries were among those who stood near the grave as the body was reverently laid to its final rest.

FEDERATION TO HONOR MAYORS

Mayors of several cities now visiting here and Mayor Fern of Honolulu will be honored guests tomorrow night at the annual dinner of the Civic Federation, held at the Y. M. C. The dinner is to be at 6 o'clock tomorrow evening, to be followed immediately by the annual meeting and election of officers.

It is the eighth annual meeting of the body and much interest is manifested in the event. The year's work will be reviewed in reports of officers.

VOLCANO REPORT

Pointing out that a black lava island has formed from the small peninsula observed a few days ago at the seething Halemaumau pit, Director T. A. Jaggar of the Technology Station reports important seismic changes for the week. No marked changes in the level of the pit have been observed. Owing to the increase in the fumes arising in the daytime, both photography and observation have proceeded with difficulty.
